

## SIDE DISHES

### PRODUCT USED

## SOUTHWEST MEXICAN DIP

### Ingredients

- 1oz package taco seasoning
- 30oz Can refried beans
- 4oz softened cream cheese
- 16oz container sour cream
- 16oz jar chunky salsa
- 1 bunch chopped green onions
- 1 small head iceberg lettuce shredded
- 16oz Guacamole
- 16oz can black beans drained and rinsed
- 2 cups shredded cheddar cheese
- 24oz Aurora Products Southwest Salad Fixins'

### Directions

Mix re-fried beans with taco seasoning and spread in the bottom of a 9x13 inch pan

Combine sour cream and cream cheese until smooth and spread over the layer of re-fried beans

Layer the salsa over the sour cream mixture

Mix the green onions with the shredded lettuce and sprinkle a layer over salsa until you can't see the salsa

Spread the guacamole over the lettuce

Sprinkle black beans on top of the guacamole

Combine cheddar cheese and Southwest Salad Fixins' and cover the top of the dip.

This dish can be served cold or put in a microwave for a few minutes to warm it up and melt the cheese. Serve with chips, or for a healthier option with carrot sticks and celery.
